I've been asked to find out if there is an ongoing promoter action on Lindsey K Springer, 444-78-3758. We have a referral from a RA in Oklahoma relating to Mr Springer's current and continued non filer status. I performed an internet search and found he has quite a checkered past with promoter involvement in the Omega Group Prime Bank scam, Bondage Breakers Ministry and The Infinity Group Company. Of additional interest is that *he's been appointed by God to do battle with the IRS*. So could be up against some stiff competition if we decide to work him.

Please respond at your earliest convenience regarding our interest to pursue him as a non filer.
